**THE LAW!!**

**America was founded on the Declaration of Independence!! The unanimous Declaration of the thirteen(including the state of Michigan State) United States of America,(and later adopted by all 50 States as follows):**

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.—That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed. —That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed, will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security.

The U.S. Constitution establishes three separate but equal branches of government: the legislative branch (makes the law), the executive branch (enforces the law), and the judicial branch (interprets the law). The Framers structured the government in this way to prevent one branch of government from becoming too powerful, and to create a system of checks and balances. The legislative branch, the executive branch and the judicial branch ARE ALL ACTING IN JOINT PARTICIPATION, ACTS AS A government in which all power is in the hands of a single ruler(The U.s. president and/or u.s. vice president acting in joint participation with "NEW ONE WORLD ORDER(ONE WORLD DISORDER)" Chian

### SECTION 3

Treason against the United States, shall consist only in levying war against them, or in adhering to their enemies, giving them aid and comfort. No person shall be convicted of treason unless on the testimony of two witnesses

to the same overt act, or on confession in open court.

The Congress shall have power to declare the punishment of treason, but no attainder of treason shall work corruption of blood, or forfeiture except during the life of the person attainted.
