This website contains:

Urgent, important, lifesaving & financial ("our bank accounts, stocks, etc.") information that must be taken with "all seriousness." Also, this website is evolving (developing gradually from a

simple to a more complex form, as events and occurrences are simultaneously taking place & as time permits the author and maker to "write and develop" this website). In addition, we are adding new information, material, and/or videos on a daily and/or weekly basis; we urge you to visit and view this website regularly. The entire website is approx. between 2 to 5 hours in length (if you view one or more videos). If you cannot view the entire web page content all at once, I urge you to pause and/or re-visit the website until you can view its entire content. In addition, some web pages with "links" are not mobile phone friendly (you must scroll around on the mobile phone to view the entire page

content; and/or scroll down to the middle of each web page to view additional content of each web page, we are currently working to correct this. Also, this website contains Ebonics, grammatical errors and/or broken English etc., it is because my son and I are victims and/or witnesses of 25-year continuing conspiracy via human rights. and/or U.S. Constitutional rights violation, criminal racketeering violations, including but not limited to extortion, wire fraud, mail fraud, retaliating against witness, tampering with witnesses, theft, assault and battery, malicious prosecution, peonage, slavery, harassment, theft, misprision of a felony and treason, bribery, etc.. the government "literally stole, converted

and took my(and/or son)possessions without due process of law, and without the right, "usurped" one or more of my businesses(and/or her son); and committed a host of other acts, "you name it," (from Jan. 1, 1993, and continuing thru to Nov. 3, 2020 thru to the end of Donald Trump's term) by Jacob Rothchild(part of Bridgewater's landlord-of public/private partnership extorting money from poor public housing tenants "literally") and his U.S. Government Officials "Puppets" including but not limited to Merrick Garland in his official capacity as Chief Judge for the U.S. Court of Appeal D.C. Circuit and individually, Joe Biden in his official capacity as Vice President and

individually, Kamala Harris in her official capacity as Senator of California and/or District Attorney for San Francisco, California and/or individually, all U.S. Senators, Congressman and/or Representatives, Cand all U.S. Government Officials, Committee and Government Oversight Reform Members (Donald Trump in his official capacity and individually and those operating under his direction from Jan. 1, 1993, and continuing thru to Nov. 3, 2020, and individually “Predecessors from Jan. 1, 1993, and continuing thru to Nov. 3, 2020) Another reason why this may contain broken English, etc. is because I have filed numerous cases, hundreds of thousands of motions and/or papers for

years(since 2008)in one or more courts, all cases dismissed(see 42 plus cases dismisses(Judicial racketeering-except for the cases the Merrick Garland in his official capacity as Chief Judge for the D.C. Circuit court of appeals, exploited documents, and committed fraud in an attempt to obtain 125 via illegally using my son and my name without the right, without due process) and vexatious litigant order(a person subject to a civil proceeding order may not institute or continue civil proceeding in any court(which includes tribunals of a judicial function)without leave of a High Court... instituted vexatious prosecution(whether against the same

person or different person), and I am just tired of writing “non-stop,” and tried of the racketeering judicial and/or criminal violations committed against my business, person or property for 25 years (AN ENTIRE LIFETIME, NOW A SENIOR CITIZEN; AND NO U.S. GOVERNMENT EMPLOYEE HELD ACCOUNTABLE FOR THESE ACTS; AND WITH NO COMPENSATION FOR OUR INJURIES AND DAMAGES DUE TO JUDICIAL RACKETEERING) and at this point grammar, spelling, broken English really doesn't matter to me!!
